Covid-19 Waiver

I understand that the State of New Jersey has given approval for Yoga studios to open as of July, 2020, while requiring compliance with guidelines the state has published.

I understand that Naturally Yoga has decided to open on an abbreviated in studio schedule and have modified their operating procedures to be compliant with the State of New Jersey guidelines.

I understand that there is a risk associated with group activities such as practicing yoga with other students in the same yoga studio.

I agree that if I test positive for COVID-19, exhibit any symptoms of COVID-19 (such as fever, cough, sore throat), have traveled to a quarantine labeled state, and/or have come into contact with someone who has COVID-19, I will not attend class within 14 days of having any of those experiences.

I agree that if any of the above occur, I will immediately advise Naturally Yoga via email directed to sheryl@naturallyyoga.com.

I understand that despite precautions taken by Naturally Yoga and myself and fellow students, there is no guarantee that I won't be exposed to COVID-19. Therefore, by patronizing Naturally Yoga and taking classes in the studio, I am assuming the known and unknown risks of exposure to the coronavirus and expressly release Naturally Yoga, it's teachers and any related or affiliated entities or parties from any and all liability associated with such exposure.
